Maybe even better than free.

No account or credit card is required to get started. filehosting provides an easy possibility for you to send large files to your friends. Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. It is also allowed to link to the download page from websites and communities. Any file in any format can be uploaded and downloaded for free. We have no file size limit. Files can be downloaded from any computer from our high speed servers. Using file, you can circumvent those limits without paying to upgrade yourteam chat service. You can upload any type of file (movies, music, documents, images, zip files and more). File is free to use with no gotchas and no hiddenfees. You don't need any special software installed to be able to download your files. The cost of that data transfer is covered by your internet service or the dataplan on your phone. Unfortunately, we can't make that part free. When you use file, you avoid storing the file you're sending in your cloud storage or mailserver. So try our free and simple filehosting service now. Simply upload your file and share the link. Your wallet will be none-the-lighter! Just so we're all100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device.Alternatively you can choose to share your download links on blogs, forums and social networking sites. Just upload the file you want to share with your friendsand we send you a download link to your file. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat appshave limits to the size of files that can be transferred within their apps. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts.You decide who you want to share your files with. You can give this download link to your friends by mail or instant messenger. There are no restrictions onthe number of times a file can be downloaded. Keep your files private, or send your download links only to friends or family. If only we could, we surelywould! On the other hand, using file can actually save you money.
